“ *My heart goes out to the family of Sue. She was like a second mother to me growing up. Her daughter Chrissy was my big sister and I loved her family with all of my heart. I have incredible memories of Sue and I am crushed to see this. I was trying to reconnect and hopefully say hello when I saw this. I'm not sure how time got away from us but I will say that I love her dearly and I am truly saddened by her passing. Please know I think of you all the time. You will forever be part of many cherished memories that bring the greatest smile.*

*Love, Renee Blondell Merchant*
