“ *I just now heard this sad news, and I am heartbroken...Terry was my oldest friend, and even my "boyfriend" on and off from kindergarten thru 6th grade! We remained friends thru all of the years, tho I moved all over the country. Unfortunately, we hadn't seen each other since my last trip home exactly 16 yrs ago from his death, when I was there to do my grandmother's service in Bensenville. There are simply too many memories to list...from all of his bday parties, to hanging out at his parents' grill, next to my grandfather's garage...to my 1st kiss. Terry, love, I miss you...and my deepest condolences to Christopher, Callie and Barb.*

“ *I remember being at Adventureland and Terry winning a TWIST contest! He was about 3 years old. Also how handsome he was at my wedding 41 years ago. My heart is breaking thinking that my Seaton men are gone. Love to Chris, Barbara, and Callie. Judi and Mike*

“ *My favorite memory of Terry is when my mom was baby sitting for him and she must have dozed off; Terry got out the milk and the Nestle's Quik and made himself chocolate milk in the carpeting; then drove his little hot wheels through it. He was a character, loved him. My condolences to Christopher, Callie and Barbara.*
