“ *I went to school with Todd, if I remember correctly I had the choice of 2 to walk down with when we graduated in 8th grade that were taller than me and he was one of them, but I'm not finding his picture, I have all of HS though. So sorry to hear of his passing. Peace and love to his family.*

“ *Oh, dear Todd you are greatly missed already, heartfelt condolences to Mari, Troy, family and friends. I am very happy that I got to know Todd, he was special. Favorite quote: Do not let them rent space in your head. May you all know the Peace and Comfort of our Lord in this time of mourning. ShellyB*

“ *First I would like to send my condolence to Mari along all the family. Todd and I became good friends over the years. I feel more as Brothers we could talk about anything not worrying that it would go further, We enjoyed the same things, there were times we would just sit and talk, talk about what I cant tell you. I'm going to miss him as a Brother.
Todd I know your in a better place now.*
