“ *Frank, Luci and family. We had the pleasure, over many years, of speaking with your Dad and some with your Mom. They were both kind, gentle and courteous persons. As you know I lost my Judith this past November. This puts me in the unenviable position of knowing and feeling the kind of physical and mental pain this loss causes. Sometimes it is only possible to try to exist for one more moment. It is very, very hard to move, much less move forward. I pray each of you will get the strength to help each other in this time of greatest need. When it is possible, please extend my personal, heartfelt, condolence to your Mom. I mean no insult when I say to be most gentle with her, she is very fragile now.*

Great love to you and yours.

“ Ba Vinceenz..... All I can say is THANK YOU. Thank you for being an example of how to be a good husband, a good father, a good grandfather, a good father-in-law, a good uncle, a good cousin and a good friend. You always showed respect to all. We are still in shock, but we will always remember and cherish the good times we spent together. We were blessed by having you as part of our lives. We miss you so much already.
Rest in peace my friend.
