“ *I met Violet back when Billy had his motorcycle accident. I wrote a couple poems for Billy, and my sister Dawn showed them to Joey, and Violet had published one in the Proviso Herald. She had this ability to welcome you into her home and make you feel a part of her family! She was so full of Life and Love that it overflowed into her children. Joey is one of the most sensitive and Loving men I ever knew and it came straight from his Mom. He Loved her so much, and now it is time for us to be there for Joey. May his Mom Rest In Peace!!!! <3*
