“ *I remember giving Wayne a bag of crab apples for his deer hunting hobby. He was always nice and personable. We worked together a few years at Trelleborg. I wish he could have enjoyed his retirement longer. I'm so sorry that I didn't see him before his passing. My love goes out to his family. I hate cancer.*

“ *The passing of our loved ones leaves a heartache that can't be healed or forgotten. In that respect our loved ones are immortal as they dwell in us, forever.*
