“ *I can't remember a time when I drove past the Kesslings house on my way to work starting on Valentines Day, St. Patrick's Day, Easter, Memorial Day, 4th of July, Halloween, Thanksgiving and Christmas that Mr. Kessling's outside decorating started my day off with a smile. That is what I will hold close to my heart as our family ties go way back. My heartfelt sympathy to Dawn, Mike, Mark and family. Remember the good times and God will help you heal. Love and prays, Diane Rubright*

*My uncle and I shared 2 Super Bowl squares for some 15-20 years and never won.. He always said we will get them next year. I will continue to get 2 squares in honor of my Uncle Wayne who I adored! Rest in peace with your cheese and pepperoni appetizers and your Old Style! Miss that smile already until we meet again! Love Carla one of your favorite nieces 💜❤*

*Dad, heaven opens the gate's for you being welcomed by your family and friends. You will be greatly missed. That sparkle in your eye and smile on your face was always so welcoming and warming. I always look forward to the times we visited and hearing your laugh as the stories were told. One of your favorite stories was the piranha story... You'd always sit back and love to hear this one told. Who in a million years would have thought I would have been bit by a piranha in Melrose Park, Illinois! I can still see your smile. Love you so much and I will treasure the many years and memories always.
