“ *My condolences Patty and Bill Jr. Billy and I were best friend cousin's growing up and I can't tell you all the adventures we had. Although the years have separated us we made it a point to talk to each other on our birthdays which were 3 weeks apart. Conversations normally turned to he trash talking the Cubs, and me trash talking the Sox. But then it turned to Gene & Jude's which we both loved and was a staple for us on Sunday nights with our dads, while our mothers went to church. Rest in peace my dear cousin, you are at peace and without pain and worry.*
