“ *Marie, Christine and Nicole...
Please accept my sympathy at this most difficult time. My heart has been so heavy since I heard the news. Bill was just one of those guys who everyone loved... Always a smile on his face, a kind word to say, with an incredible sense of humor that certainly will be missed. I can't tell you how grateful I am that our paths have crossed. His smile would get even bigger when he spoke about "his" 3 girls. Marie know that you have friends that care deeply about you all. Bill may you R.I.P. Where you will never have pain again.. I'm asking God to keep your girls in the palm of his hands at this time. Know that many of us will be there for you family when needed. You will be missed until we meet again my friend... Kathy T.*

“ *Bill was a great guy. He was a family man and a true friend. I enjoyed talking to him about the USMC and his experiences in Viet Nam and elsewhere. Bill had just called me last week and we made plane to meet on the first Monday in July. I am very saddened by Bill's passing. Semper Fidelis,*
