“ I met Bill about 30yrs. ago thru my wife Rita . He had a great personality , good natured , and I took a liking to him . Every time my wife and I went to Arizona and Grace and Bill were there at the same time we would all hook up and Bill and I would go play golf . Those were fond memories . R.I.P. my friend .

“ I remember being a little kid and i was at a party at the Guarico's and i wandered into the basement and saw bills collection of WWII items and i was fascinated by it all. He patiently explained to me what everything was and how special it was because these items were actually used in war. To this day I am fascinated by old things and the unique story of such items. Bill definitely had an impact on my young mind.
